

**Looking ahead to NEXT YEAR!**

**Winter Auditions**

We will be holding auditions for all parts on **January 12<sup>th</sup>**. Please pass the word along to interested musical friends. We are especially looking for tenors this year!

**Updated Spring Schedule**

Please add the following (now firm) performance and rehearsal dates to your schedule:

**Carnegie Hall - April 10<sup>th</sup> and 11<sup>th</sup>**

It's official! All Jubilate singers - sopranos, altos, tenors and basses - will be singing the Carmina Burana at Carnegie Hall on Sunday, April 11<sup>th</sup>. **Important Note: The producers of this concert (Carnegie Hall staff) are mandating our attendance at rehearsals on both April 10<sup>th</sup> (morning and afternoon) and April 11<sup>th</sup> (the morning of the concert). This commitment is firm - any Jubilate member who cannot make these rehearsals cannot sing with us on the 11<sup>th</sup>!** Please check these dates against your calendars right away and let us know of any conflicts **IMMEDIATELY**. *(Middle School musical cast members - We are aware Mrs. Hanson has historically scheduled a rehearsal on the Saturday before opening night, which this year falls on April 10<sup>th</sup>. We encourage all of you to approach her as soon as possible with this previous conflict, in the hope that she will consider a compromise that will allow you to participate in this special performance opportunity. If her schedule remains firm, you will all - unfortunately - have a difficult decision to make. I wish Jubilate could be flexible on this one, but it is out of our hands. Please let me know ASAP if you will not be able to join us for this concert.)*

**Classic Choral Society - May 16<sup>th</sup> and 23<sup>rd</sup>; Dress May 11<sup>th</sup>**

All Treble Choir members will perform Rutter's Mass of the Children with the Classic Choral Society (tenors and basses, Mr. Crone and Mr. Wing have other special plans for you this season!). **All of the above dates (dress rehearsal the evening of May 11<sup>th</sup> and the two performance dates) are mandatory for all choir members. Some of you responded to my earlier email about this performance, and I thank you. Everyone else, please check these dates against your calendars and notify me of any conflicts IMMEDIATELY.**

It's going to be a very exciting spring season - We're so glad you will be a part of it!

Sincerely,  
Annie
