

Jubilate Uniform Information and Instructions

In order to offer a professional and non-distracting presentation when we sing, the Jubilate choirs will always perform in one of three basic uniforms:

- White Jubilate Polo Shirt (usually worn with jeans, shorts or Khakis)
- Black Concert Dress (black dress for ladies; black chinos, black button-down shirt for men)
- Red Liturgical Robe (with white collar and red cincture; treble choir only)

The total uniform cost for each singer comes to around \$100. The costume fee paid by each entering Jubilate family only partially covers this expense. Jubilate subsidizes the rest of the cost through our fundraising efforts. We also try to keep our (and your) total uniform cost down by reusing as many items as we can when singers move on or change sizes.

The items purchased become yours to own. They may be more in addition to Jubilate events, however we ask that they be kept in excellent condition for Jubilate.

For your convenience, Jubilate orders all uniform items through our suppliers. We will be sizing each singer during rehearsal.

Thanks in advance for your help,
Emily Thompson
